CHOOSING YOUR ACCOMODATION AT RETREAT

Both "E" cabins and "Vintage" cabins are comfortable but understated. All have electrical outlets, lighting, hanging clothes bar, heat (that works really well, and fast), folding chair, and side table.

Samilsh Retreat Center is in the process of rennovating the Vintage cabins with new furnture and foam mattresses. As of Oct. 2026, about 25+/- of of 43 cabins will be competed. Rennovated cabins are assigned first to those registered for the full, 4 -day experience. If your cabin assignment is not an upgraded one, we suggest you bring a mattress topper(s) or other support to give you a better night's rest.

For all cabins, you supply: bed linens, pillows, and towels. Many bring additional layers for comfort such as a mattress topper. Most bring a small rug/mat for bedside, shower shoes, itty-bitty night lighr, chargers, and a flashlight/headlamp for after dark. Be sure to look at the "What to Bring List" as a starting point for your own list.

"E" CABINS (ADA compliant)

There are 16 "E" cabins, 4 buildings with 4 sleeping "cabins" in each. One sleeping space is separatd from a second sleeping space by a short hall with doors to the toilet room and the shower room. The 2 sleeping spaces share the bathroom.

Each sleeping space can hold one or two people, and tpically has either a single queen bed or a queen bed plus bunk style bed having a full size mattress on the bottom and a twin above.

Sharing "E" cabins means those who are nearby appreciate the consideratin of quiet voices.

"VINTAGE" CABINS

These colorful cabins are cozy but have plenty of space. They do not have a bathroom, but are close to the well-llit restrooms where you'll find showers, sinks, and toilet stalls.

Most avoid the nighttime restroom journey and bring a ...ahem... "relief receptacle" for their cabin, which they empty in the a.m. at the restroom. This could be a simple receptacle or a product made specifically for camping.

Over the years, many campers prefer to stay only in a vintage cabin and have picked a favorite.

Samish Retreat Center is in the process of rennovating all of the vintage cabins.
